

100% Campaign: Endorsement Form

We are all-in for an equitable, clean energy future for everyone in Minnesota.

We are the 100% Campaign.

We are all-in for clean energy.

We are all-in for gender, racial, and economic equity.

We are all-in for high-road, high-paying, career-oriented jobs.

We are all-in for both frontline communities and those impacted by transition.

We believe an equitable, clean energy future will benefit everyone in Minnesota: rural and urban, black, brown, indigenous, people of color, and white, businesses and workers, younger and older, every gender, every community, every sovereign nation, every part of the state. But this won't happen by accident. That's why we are reaching out, listening, learning, and figuring it out together.

By adding our name, we believe:

Minnesotans must come together to address our changing climate.

Our solutions must meet multiple bottom lines. We must:

Transition to clean energy solutions at scale and as quickly as we can

Center gender, racial, and economic equity & opportunities in our solutions

Encourage public & private investments, expand worker training, and create sustainable jobs

Strengthen all impacted communities

By adding our name, we will:

Talk with our own stakeholders about equitable clean energy solutions at scale

Talk with each other about what we need from a transition to 100% equitable and clean energy

Act from our values and speak from our own point of view

Advocate for equitable clean energy solutions at scale

By adding our name, we encourage all policymakers and candidates for public office to:

Endorse the vision of a 100% equitable and clean energy future for everyone in Minnesota

Visit impacted people, businesses, and communities

Listen and have tough conversations with all clean energy stakeholders

Share your plan for how Minnesota can reach a 100% equitable and clean energy future

How did you get connected to the campaign?

What can you do to support the 100% Campaign?

There are many ways you can join in. Check the ones you can commit to:

- ☐ Endorse the 100% Campaign
- ☐ Host a 100% Campaign Introduction event (These can be as short as a fifteen-minute board presentation or as long as a two-hour house party or member training.)
Tell us more about when, where, and with whom you could host an event.
- ☐ Host a 100% Deeper-Dive Member Training (This is the campaign's training to prepare people to collect and share their own and other people's climate stories.)
Tell us more about when, where, and with whom you could host an event.
- ☐ Meet with your Elected Officials
 - State Representative:
 - State Senator:
 - Local Elected Official:
- ☐ Join with others to build 100% Campaign Mobilizations. Check here if you want to help plan our larger public events, rallies, lobby days, demonstrations, and cultural events.
